

## AT&T Honors Suppliers for Outstanding Performance

SAN ANTONIO, June 11 /PRNewswire-FirstCall/ -- AT&T Inc. today announced the annual list of suppliers recognized for outstanding performance and service to the company's affiliates during the past year. The AT&T Supplier Recognition Program honored suppliers for their work in the areas of creative cost-management solutions, customer service, product/service performance, sustainability and teamwork.

"Our supply chain partners play a vital role in helping AT&T deliver the services, value and innovation necessary to serve our residential and business customers and to maintain our company's leadership position in today's competitive and dynamic global marketplace," said Tim Harden, president of AT&T Supply Chain and Fleet Operations. "This year, we're recognizing 27 suppliers that went above and beyond in providing AT&T with better products, better services, better cost structures or better approaches that contributed to our success during the past year."

AT&T uses more than 5,000 companies as major suppliers for materials and services. As part of the annual program, the company took out a half-page ad in today's edition of The Wall Street Journal to publicly thank the selected companies.

About AT&T

AT&T Inc. is a premier communications holding company. Its subsidiaries and affiliates, AT&T operating companies, are the providers of AT&T services in the United States and around the world. Among their offerings are the world's most advanced IP-based business communications services and the nation's leading wireless, high speed Internet access and voice services. In domestic markets, AT&T is known for the directory publishing and advertising sales leadership of its Yellow Pages and YELLOWPAGES.COM organizations, and the AT&T brand is licensed to innovators in such fields as communications equipment. As part of its three-screen integration strategy, AT&T is expanding its TV entertainment offerings. In 2008, AT&T again ranked No. 1 on Fortune magazine's World's Most Admired Telecommunications Company list and No. 1 on America's Most Admired Telecommunications Company list.
