To Whom It May Concern:

We are very pleased to provide a letter of reference for the Plus Group, inc. We have worked with The Plus Group for approximately a year and a half. AssetMark has high regard for the recruitment and direct placement services that The Plus Group has provided us during a time that AssetMark has experienced significant growth.

The Plus Group recruiters are extremely resourceful and very thorough with their interview processes. They have recruited and placed individuals for many "key" positions in our organization including Advisor Services Representatives, Portfolio Administrators and Custodial Relations Representative.

We have been extremely please with their service and would recommend them to other corporations looking for direct placement or executive search placement services.

Sincerely,

A handwritten signature in cursive script, appearing to read "Cindy".
